

BachaTango

PART OF THE FINLAND INTERNATIONAL BACHATA FESTIVAL IN TAMPERE

BachaTango - the fusion of Bachata and Tango combines the Bachata steps and the Tango leading. Bachata and Tango music can be used, but the most passionate dance will arise from Tango influenced Bachata songs. The basics are not hard to learn, but being the master involves the details of both worlds. BachaTango is the hit in the modern Latin clubs and an attractive addition to Tango Argentino dancers.

Bachata Festival is the best opportunity to learn BachaTango. We are proud to present Tony Lara and Daniela De Francesco from Italy. Together they have been invited to teach and perform at some of the Worlds biggest and prestigious Salsa Congresses (UK, Los Angeles, Zurich, Sydney) and have literally taught hundreds and thousands of people to dance Bachata and BachaTango in 4 continents and 100s of cities.

The BachaTango classes will be on Sunday June 7 from 12 to 16. In the evening we welcome you to enjoy the Bachata Festival Chillout Party from 19 to 24 at Restaurant Teerenpeli, Tampere. Most of the attendees will buy the festival VIP ticket (148/178€) to participate all the Tampere classes. Sunday only tickets (75/95€) are also available.

There is a big demand for the BachaTango classes but a limited amount of tickets. The ticket sales starts January 20 and the discounted price is valid until March 20. We advice you to reserve a hotel room for Saturday night (June 6) now, because Tampere hotels will be full. The best located hotels are Omena Hotel (www.omena.com), Sokos Hotel Ilves (www.soko-hotels.fi) and Hotel Cumulus Koskikatu (www.cumulus.fi). See more information www.gotampere.fi. Ryanair (www.ryanair.com) has cheap direct flights to Tampere from Riga, Frankfurt, Bremen, Milan, London and Dublin. Check also the offers of Blue1 (www.blue1.com) and Finnair (www.finnair.fi). Consider also flying to Helsinki, because it's easy to continue by bus or train to Tampere.
