

Bachata Festival

TWO CITIES, 8 INSTRUCTORS, 29 WORKSHOPS, 3 PARTIES, CRUISE, OPEN FIRE SALMON

The recommended way to participate is to buy the discounted price VIP ticket and to see all the Tampere Bachata Parties and to select from 26 Workshops. You'll find all the Bachata styles and the world famous instructors in a well planned order both for beginners and for advanced participants.

We are in the leading edge. We have the real Dominican Bachata. Our key Instructor Julio Gomez comes directly from Santo Domingo, Dominican Republic. He is the Cassandra winner (Dominican Oscar prize) in dance choreographies. In addition we have Rodney Rodchata Aquino, the world-wide master of logical Dominican style Bachata teaching. The female point of view is created by Marcela Cardenas from Sweden. Tony & Daniela are well-known in four continents, 100s of cities and nearly in all Bachata Festivals with their sexy and sensuel Italian Style Bachata and BachaTango.

BACHATA FESTIVAL PARTY - TAMPERE JUNE 6 - IN BACHATA ISLAND VIIKINSAARI

The unforgettable Caribbean Bachata Dream begins with a half an hour cruise to the Bachata Island Viikinsaari. While dancing, you'll see the most famous lake views of Finland. The romantic Bachata music of Dj Don Besos and the inspirative additions of Dj Late lead the way to the island. The huge dance floor of the Tradicional Dance Pavillion will be filled with the excited Bachateros. This is just the beginning. The Bachata Kings live band and the exclusive shows of our world famous instructors will bring us the Real Dominican Party feeling. This is the night of the famous Finnish Midnight Sun Magic completed with the happy Bachata united people and the irresistable smell of the open fire salmon.

You can start the Workshops on Friday with Tony & Daniela in case you find it easier to arrive in Helsinki instead of Tampere. The comfortable Helsinki - Tampere train (www.vr.fi) lasts only 1,5 hours.

FLIGHTS AND ACCOMMODATION

Ryanair (www.ryanair.com) has cheap *direct flights* to Tampere from Riga, Frankfurt, Bremen, Milan, London and Dublin. Check the offers of Blue1 (www.blue1.com) and Finnair (www.finnair.fi). Consider also the flights to Helsinki, because it's easy to continue by bus or train to Tampere.
